

# Creative Woof

## Power from your palm

Enjoy a fun music experience packed in a micro palm-sized speaker like never before. The Creative Woof delivers a surprisingly loud audio performance that is featured in a sleek premium metallic body. Designed with Bluetooth wireless technology, it provides wireless music streaming for most smart devices. It comes with a built-in battery that plays for up to 6 hours so that you can enjoy your music and party the whole night long on a single charge. Phone conversation can be done conveniently on the speaker with the built-in speakerphone feature. The intelligently designed Energy Saving feature helps to preserve more juice when you are not using it.

- Micro-sized wireless speaker cups in your palm
