

# Creative MUVO 20

## Biggest Sound in its class

Live life OUT LOUD with the Creative MUVO 20! With two powerful 3" full-range drivers -- housed in a large acoustically enhanced speaker enclosure -- that are powered by a high output amplifier, and Creative's proprietary BasXPort technology that features an advanced dual-flared bass port, you can expect this portable wireless speaker to deliver nothing less than the most powerful audio its class. With Bluetooth and NFC technology, pairing your smartphone or tablet has never been easier! MUVO 20 also supports the high-end aptX® audio codec, giving you audio as good as a wired connection.

- Delivers the biggest sound in its class: Powerful 3" full-range drivers housed in large acoustic chamber powered by a high output amplifier
- Powerful bass: Advanced dual-flared bass port that delivers powerful, punchy, clean and high output bass
- Plays wireless music from stereo Bluetooth devices like smartphones and tablets and features aptX® support for high quality wireless audio streaming as good as a wired connection\*
- Tap & Play: NFC Technology for fuss-free pairing
- Speakerphone feature for mobile phone calls
- Built-in lithium-ion battery charges via USB for maximum portability
- Battery Bank Feature: Charges your mobile devices with dedicated USB port
- 12° baffle angle for better dispersion
- 3.5mm Aux-In for other analog audio devices.
- Available in Black and White

\*For compatible stereo Bluetooth devices featuring the aptX® audio codec

## Technical Specification

- Product Weight: 1.37kg / 3.02 lbs
- Speaker
  - Dimensions (HxWxD): 115 x 335 x 115 mm / 4.5 x 13.2 x 4.5 inches
  - Weight: 1016 g / 2.24 lbs
- USB Cable
  - Length: 0.6m / 23.6 inches\*
  - Weight: 19 g / 0.04 lbs\*
- *Bluetooth* operating frequency: 2402 – 2480MHz
- *Bluetooth* Version: *Bluetooth* 4.0
- Supported *Bluetooth* profiles:
  - A2DP (Wireless Stereo Bluetooth)<sup>1</sup>
  - AVRCP (Bluetooth Remote Control)
  - HFP (Hands-free Profile)
- Supported Codecs: SBC and aptX®
- Operating Range for *Bluetooth* devices: Up to 10 meters (*Measured in open space. Walls and structures may affect range of device.*)
- Supports fuss-free Bluetooth pairing and connections with Near Field Communication (NFC)-enabled Stereo Bluetooth devices
- 3.5mm Integrated Aux-In for other audio devices
- Up to 8 hours of usage from a single charge<sup>2</sup>.
- Charges via Micro USB cable.
- Charges your mobile devices via dedicated USB port
- The MUVO 10 is available in Black or White.

### Notes:

- Compatible with PC (Windows XP/Vista/7/8), Apple Macintosh equipped with *Bluetooth* wireless stereo
- Compatible with most major brands of *Bluetooth* A2DP enabled mobile phones
- Compatible with mobile phones equipped with Near Field Communication (NFC) technology for Bluetooth fuss-free pairing and connection

<sup>1</sup>Stereo Bluetooth or A2DP profile enables wireless transmission of full stereo sound to other Bluetooth devices. To determine whether your device (notebook, PC or mobile device) is equipped with A2DP-enabled Bluetooth technology, refer to your device manufacturer's documentation/website for more information.

<sup>2</sup>Based on moderate volume level. Actual battery life may vary with volume, usage and connection type.

## Package Content

- MUVO 20 Speaker
- USB Cable
- Safety and Warranty leaflets
- Quick Start Guide

## Minimum System Requirement

- *Bluetooth* devices that support the Stereo *Bluetooth* Profile (A2DP)
- NFC-enabled devices for fuss-free pairing or connection by tapping on speaker
- Analog audio devices with a 3.5mm output
- Charges your mobile devices via dedicated USB port (DC 5V and 500mA output rating)

## Warranty

1-year limited hardware warranty
