COUGAR

MG110-W

M-ATX Gaming case
Compact size with large interior space to showcase your powerful system

COUGAR MG110-W is a compact micro case with acrylic transparent side window design, which provides you enough space for high-end hardware and expansion to showcase your powerful systems directly. In addition, it supports up to 240mm water cooling radiator and 5 fans for superior cooling performance. MG110-W micro case provides you to customize and showcase your powerful gaming system.

EXCELLENT EXPANDABILITY
· Support full-sized graphics cards up to 350mm
· Support 5.25″ device x1/ 3.5″ HDD x2/ 2.5″ HDD/SSD x2

SUPERIOR COOLING PERFORMANCE
· Support up to 240mm water cooling radiator at front panel
· Support up to 5 fans for powerful airflow
· Cable routing channel design keeps all the cables behind the motherboard tray, allowing air to flow unobstructedly and dissipate the internal components' heat.

HIGHLY CONVENIENT
· Tool-less design for 5.25″ and 3.5″ drive installation
· USB 3.0 front panel port for the latest high-speed peripherals
· Cable routing channel design for easier cable management and better aesthetics
