- Duty cycle of up to 35,000 pages per month
- First page out 14 seconds in mono, 23 seconds in colour
- Professional quality colour with up to 1200x600 dpi resolution and Epson AcuBrite toner
- Hi-Speed USB 2.0 connection
- 200-sheet multi-purpose tray with dust cover
- ENERGY STAR® qualified, power-efficient solution
- Low running costs with high-capacity toner cartridges

Boost your business with a compact, affordable multifunction colour laser printer, scanner and copier. Add professional quality to all your business materials and keep running costs low.

### Professional colour solution

The Epson AcuLaser CX16 Series easily handles all your colour and mono documents, from printing letters and presentations to scanning documents or making quick copies. It saves time too, with fast print speeds and a mono first page out time of just 14 seconds.

### Compact and easy to manage

These multifunction lasers have a small footprint that fits discreetly into any business environment. Featuring high-speed USB 2.0 connectivity and a clear control panel, you'll find them simple to set up and use, making day-to-day print management straightforward. The 200-sheet multi-purpose media tray is easy to refill and makes changing paper fast and convenient. It even has a built-in dust cover to keep your paper pristine.

### Economical and dependable

Enjoy excellent reliability with an impressive 35,000 pages per month duty cycle. High-capacity toner cartridges print more pages between changes and help reduce running costs. Further savings result from the Epson AcuLaser CX16 Series' ENERGY STAR® qualified power efficiency, which means it uses less power both in standby mode and when printing, helping you to reduce bills and environmental impact.

The Epson AcuLaser CX16NF has the addition of a fax unit, Ethernet connectivity, automatic document feeder, USB host for direct printing plus optional duplex and 500-sheet paper cassette.
