HP Scanjet G3110 Photo Scanner

The HP Scanjet G3110 Photo Scanner is designed for people who are looking for the easiest way to scan, preserve and restore photos, slides and negatives, plus the flexibility of being able to scan, share, archive and manage documents too.

Get more from your photos with high-quality scanning and easy restoration.

- Turn your photos into high-quality, easy-to-share digital images with 4800 x 9600 dpi [1] resolution and 48-bit colour. Remove red-eye, improve contrast, restore faded colour and remove dust and scratches using included software.

Scan multiple photos, slides, negatives or even 3-D objects and save to separate files.

- Scan multiple originals – up to four 35 mm slides, five negatives or three 10 x 15 cm photos – at once and save as separate files. Get impressive results from open books, framed pictures and even 3-D objects such as jewellery or collectables.

Turn paperwork into editable documents and easy-to-archive digital files.

- Turn important documents into easy-to-archive PDF files or convert them into editable text using the Optical Character Recognition (OCR) software. Enjoy the speed and convenience of one-touch Copy and Scan-to-Email buttons too.

[1] Maximum resolution may be limited by PC system factors and scan size

TECHNICAL SPECIFICATIONS
