Mobility and productivity with ultra cost-efficiency

Always on the lookout for products that give the best value for your money? But we know that being on a budget doesn't necessarily mean you compromise on the performance. This is especially true with the HP Deskjet Ink Advantage 3515 e-All-in-One.

It's amazing that this home printer is easy to set up, lets you print borderless and also comes with useful mobile solutions that include: HP Wireless Direct Printing [1], HP ePrint [2], AirPrint™ and HP Auto Wireless Connect [3]. Moreover, make a stand for the environment; this printer has 10% post-consumer recycled content and uses cartridges made of 70% recycled materials.

1 Mobile device must be wireless-enabled. Printer must be HP ePrint-enabled. Feature may require driver or apps, available for download at www.hp.com/go/eprintcenter.
2 Requires an Internet connection to the printer. Feature works with any connected Internet- and email-capable device. Requires HP Web Services Account Registration. Print times may vary. For a list of supported documents, and image types, see www.hp.com/go/eprintcenter. And for additional solutions, see www.hp.com/go/mobile-printing-solutions.
3 HP Auto Wireless Connect may not be available for all system configurations. Wireless performance is dependent upon physical environment and distance from access point. For information on compatibility, visit www.hp.com/go/autowirelessconnect.
4 After first set of ISO test pages. For more information, see www.hp.com/go/printerclaims.
