

Lenovo™ IdeaPad™ 310

LAPTOPS BUILT FOR STREAMING ONLINE MEDIA

Dependability and Affordability in One.

Designed for anybody who wants a dependable laptop at an affordable price, the Lenovo™ IdeaPad™ 310 series notebooks are perfect for streaming online media, thanks to fast 802.11 ac WiFi* technology.

Lenovo™

WHY YOU SHOULD BUY THE LENOVO™ IDEAPAD™ 310

Dependable Performance

Available with the next generation of Intel® processors and optional discrete graphics, the IdeaPad™ 310 delivers serious horsepower without weigh you down.

The Latest and Fastest RAM

To meet the needs of present and future, DDR4 delivers higher performance, lower power consumption, higher density and increased reliability.

Blazing Fast Internet Speeds

This laptop's Internet speed is up to 3x faster than laptops using, thanks to 802.11 ac WiFi* technology. This means faster media streaming and web browsing.

Superior Audio

Stereo speakers sound bigger and better, thanks to the experts at Dolby® Laboratories. Dolby® lets you transform your IdeaPad™ 310 into a personal home theater.

* ac WiFi not available in Russia, Ukraine, Indonesia and Egypt.

LENOVO™ SERVICES

Warranty Upgrades – On-site / In-Home Service

Maximizes PC uptime and productivity by providing convenient, fast repair services in your own home.

Accidental Damage Protection

Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops or damage to the integrated screen.

Warranty Extensions (1-to-3 Years Total Duration)

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment and potentially lower the cost of ownership over time.
