

**AFFORDABLE LASER-LIKE  
 BLACK AND WHITE PRINTING.**

The Epson M100 and M200 original ink tank system printers offer print speeds of up to 34ppm, using genuine pigment ink that allows you to print laser-quality texts that are water and smudge-resistant. At S\$14.90, each bottle yields 6,000 pages. The printers are network-ready for sharing across workgroups, making them ideal for small offices and home offices, as well as 24-hour service stations such as hotels and hospitals that are looking to cut printing costs.

M100  
Print

M200  
Print/Scan/Copy

-  Ethernet
-  iPrint\*
-  High-Yield Ink Bottle

The Epson M100 and M200 come bundled with an initial starter kit of 2 bottles of inks (140ml and 70ml) for a total yield of up to 8,000 pages. (70ml bottle is not for sale)

**IT'S IN THE DETAILS.**

**Superb Savings and Page Yield**

A bottle of 140ml of ink delivers an ultra-high yield of 6,000 pages, providing excellent cost savings for the business.

**Laser-Quality Prints and Speed**

Printouts are water and smudge-resistant and printed at speeds of up to 34ppm for draft and 15ipm for standard quality.

**Epson Warranty for Peace of Mind**

Enjoy warranty coverage of 4 years\*\* or 50,000 prints, whichever comes first.

\* Applicable to M200 only.

\*\* Applicable to M200 only. Standard 2-year warranty applies to M100.

Lower your business's printing costs with the M100 and M200 original ink tank system printers that deliver laser-quality prints.

### Superb Savings and Page Yield

Epson's proven original ink tank system printers deliver reliable printing with unrivalled economy. You can enjoy ultra-high yield of 6,000 pages with each ink bottle, reducing the constant hassle of refilling. The M100 and M200 come bundled with an initial starter kit of 2 bottles of inks (140ml and 70ml) for a total yield of up to 8,000 pages.

### Laser-Quality Prints and Speed

Busy offices with high print volume will appreciate the fast print speeds of 34ppm for draft and 15ipm for standard prints on both printer models. In addition, the M200 copies at a speed of up to 34cpm.

The Epson M100 and M200 use genuine pigment inks which allow you to print sharp texts that are water and smudge-resistant. You can enjoy low printing costs without sacrificing the quality of your printouts.

## Epson Warranty for Peace of Mind

Enjoy warranty coverage of up to 4 years\* or 50,000 prints, whichever comes first, for maximum value from your printer. Epson's warranty includes coverage of printhead, which is most important for a printer designed for high volume printing.

\* Applicable to M200 only. Standard 2-year warranty applies to M100.

## Enhanced Productivity

### Automatic Document Feeder

The M200 is equipped with a 30-sheet ADF unit for convenient scanning and copying of multi-page documents.

### LCD Screen

Experience easy set-up and PC-less operation with a built-in 2-line LCD screen on the M200.

## Network Connectivity

The Epson M100 and M200 are enabled with Ethernet, ensuring superb connectivity so that you can easily share the printer within your workgroup for better use of resources.

## Seamless Printing with Epson iPrint (with M200 only)

The M200 supports Epson iPrint which is a mobile application that allows you to print from your mobile device over a wireless network. You can also scan documents or photos and save the scanned images locally on your mobile device, save it in an online cloud storage service, or attach it to an email.

## Space-saving Design

The M100 and M200 ink tank system printers not only work well, but also fit comfortably in your office. They sport a compact design and footprint that can be easily integrated into small desktops.

## Better Products for a Better Future™

Minimise energy costs with these printers that have up to 70% lower power consumption than conventional lasers\* without compromising high productivity.

\* Results based on Epson internal testing conducted using US-equivalent 120V models.

**Weight:** 3.4kg (7.5lb)

**M200**  
**Weight:** 6.0kg (13.2lb)

\*1 Print speed (Pages Per Minute) is calculated when printed on A4 plain paper in the fastest mode. Print speed may vary depending on system configuration, print mode, document complexity, software, type of paper used and connectivity. Print speed does not include processing time on host computer.

#1  
Black text

\*2 Determined in accordance with ISO/IEC 24734 showing the average of ESAT from the Office Category Test for default simplex. For full report see your country web site via [www.epson.com](http://www.epson.com)

\*3 Default mode in accordance with ISO7779.

\*4 Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 19752. Quoted yields are NOT based on ISO/IEC24711. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature.
