

HP Deskjet Ink Advantage Printer K109a¹

Featuring ultra-low-cost, high-capacity inks specially designed for this easy-to-use printer to give you maximum yield at a highly affordable cost.

Product pointers

- Provides ultra-affordable printing experience with HP Deskjet Ink Cartridges that are priced extremely competitively, giving three times the prints for about half the price². With cartridges working independently when printing, jobs will be completed even when one cartridge runs low on ink.
- With HP's dual-drop volume technology, you will get consistent laser-quality black text, vivid colour graphics and brilliant photos with enhanced details.
- The HP Deskjet Ink Advantage Printer is designed for ease-of-use – simply connect and start printing within minutes.
- With a convenient LED panel that informs when to change cartridges and easy access to them, replacing individual cartridges is a simple affair.
- Take advantage of the HP Smart Web Printing³ software to select only what you wish to print from the internet, minimising paper and ink wastage.

¹ Available in selected Asia Pacific countries only.

² Comparing the HP 703 Black cartridge with the HP 60A Black cartridge; based on manufacturer's stated retail price and published yield for ink cartridges as of September 2009. Results may vary; for more information, visit www.hp.com/go/learnaboutsupplies

³ Requires Microsoft Internet Explorer 6.0 – 8.0.
