

# HP LaserJet Pro M1132<sup>1</sup> MFP

Ideal for business users with home or small offices who need an affordable, easy-to-use MFP for printing, copying and scanning.

## Product pointers

- Print, copy, and scan with this compact MFP. Now, you can produce affordable, yet professional-quality documents using Original HP print cartridges for consistently excellent quality, each and every time you print. Furthermore, enhance your productivity with fast print speeds of up to 19 ppm letter/18 ppm A4, and get a first page out in as fast as 8.5 seconds with Instant-on Technology.
- Simply connect the MFP directly to a PC or Netbook via the included Hi-speed USB 2.0 port, set up of the device without a CD with HP Smart Install<sup>2</sup>, and start printing right away with the MFP's intuitive control panel. Plus, enjoy more reliability and convenience with Original HP supplies designed specifically for your printer, HP SureSupply that helps you find and purchase a replacement cartridge<sup>3</sup>, and HP Total Care for the support to help you manage, protect and grow your business.
- Cut cost and save energy with an ENERGY STAR<sup>®</sup> qualified MFP. Get up to 50% energy savings with Instant-on Technology<sup>4</sup> and save up to four times the energy with Instant-on Copy<sup>5</sup>. Save even more energy with HP Auto-On/Auto-Off Technology, which turns your MFP on and off automatically<sup>6</sup>. What's more, pre-installed print cartridges eliminate extra packaging, and depleted cartridges can be returned through HP Planet Partners for easy, free recycling<sup>7</sup>.

<sup>1</sup> Not available in China and India.

<sup>2</sup> HP Smart Install works with Windows only.

<sup>3</sup> Program features and availability may vary by country, visit [www.hp.com/learn/suresupply](http://www.hp.com/learn/suresupply) for more information.

<sup>4</sup> Energy savings based on HP testing using the ENERGY STAR<sup>®</sup> program's Typical Energy Consumption (TEC) method on HP LaserJet products with Instant-on Technology vs top competitive models as of March 2009.

<sup>5</sup> When compared with fluorescent tubes, Instant-on Copy with LED technology drops energy use by 4 times in idle mode and 1.4 times in copy mode.

<sup>6</sup> HP Auto-On and Auto-Off capabilities subject to printer and settings.
